

## MANY NEW DESIGNS For Young Girls Are Shown

The  
Home  
of  
Wooltex  
Garments  
1911-1912

The Homer Fitts Company

This season, misses' styles have appeared in greater and lovelier variety than for many years.

They're not women's things made in misses' sizes, but designs young girls can claim for their very own. And they're strikingly pretty and becoming.

We Have the "Suffolk"  
Suit—a Much-Talked  
About Wooltex Model

Distinctly girlish—with a winning charm belonging entirely to youth.

It has the plaited and belted back, of course, which makes the simple front all the more attractive.

The fashionable Scotch knickerbockers and mixtures are especially smart for this "Suffolk" model, making an ideal suit for the college girl.

In fact for any young girl who wants a suit for plenty of good service in all sorts of weather.

Among the dressier suits for young girls are some specially lovely models which must be slipped into to get the effect. With the fluffy jabot and the jaunty hat—they're pictures.

Let our salespeople show you why you can be sure that a Wooltex garment will stay good looking.

## The Home of Good Overcoats

When we speak of our good overcoats, we mean the kind that are of thoroughly dependable quality, of trustworthy materials, as well as those with style.

You must go farther than mere style, color, or pattern in your selection; for none of these things count after you have worn the garment a week or two, unless there is the quality of workmanship also. If all these points appeal to you we will be glad to serve you from the largest assortment of overcoats, suits and furnishings in town.
